Sir: Enclosed you'll find a check for $34.00. This covers the payment for Post-Mortem, Whitewash I, II, III, IV. Please forgive my lateness because I've been fiancially pressed.

There is one matter which both concerns me and causes concern. It is my understanding that you are concerned and upset because I discussed a concert proposal with Mark Lane. Please understand that this came up in casual discussion and nothing more should be thought of it. I had stopped in at C.C.I that day just to see "what they were up to". You might find it of interest that I led two attacks at American and George Washington Universities to demonstrate to students the disadvantages of working for any Mark Lane "fan club".

I have already helped you and it is my intention provided you are in acquiescence to work further with you. I am leaving for Spring vacation right now but I would like to discuss this matter with you at your earliest convience.

With fondest regards,

Alex

P.S. Please say hello to your wife.
